Cookies

The website <https://www.haropaport.com> may request that you accept cookies for statistical and website display purposes.

What are cookies?

Cookies are small text files placed on your computer when you visit a website or consult an advertisement. One of their main purposes is to collect information on your Internet navigation and to provide you with personalised services.

The cookies on your computer are managed by your Internet browser.

You can change your browser's settings at any time to accept or to reject cookies.

Your Internet browser's settings may also be configured to notify you of cookies placed on your computer and to ask you whether you accept them or not. You can accept or reject cookies on a case-by-case basis, or you may systematically reject all cookies.

We wish to remind you that your browser's settings may have an impact on the conditions under which you access our services where these require the use of cookies.

Personal data

As part of its assigned activities, HAROPA PORT collects and processes personal data notably relating to visitors to the website and to its contacts, applicants, partners, suppliers and service providers.

This information is processed in accordance with security and confidentiality. It is not passed on to third parties and is retained for a period that is compliant with legal requirements or proportionate to the purposes for which it has been collected.

In compliance with the French statute "Information Technology, Data Files and Civil Liberties" of January 6, 1978 and Regulation (EU) 2016-679 on data protection, you have the right to access, modify, rectify, oppose, limit, withdraw and delete personal data concerning you.

For all information on, or the exercise of the above rights regarding the processing of personal data handled by HAROPA PORT, you may contact its Data Protection Officer (DPO) at the following email address: [Email](#)

You also enjoy a right to lay before the CNIL any complaint concerning the processing of your personal data.
