#### **Basic page HAROPA PORT: an incubator for collective innovation**

Relevance : 100%

The goal is to promote collaboration between RDI (Research – Development - Innovation) actors in the port and logistics domain, and between the private and public sectors.

Published on 15/06/2023 - Updated 22/03/2024

#### **Basic page Port cybersecurity: central to innovation**

Relevance : 100%

By its very nature, a commercial port is an open site that needs to facilitate good and traffic flows. The generalised interconnection of systems and technologies exposes port actors to constantly worsening threats. That is why HAROPA PORT, as a major player in digitised port operations, has...
