

Bruyères-sur-Oise

Published on 4/03/2025 - Updated 24/12/2025

Located 40 kilometres north of Paris at the edge of Val-d'Oise, the Bruyères-sur-Oise multimodal platform is a **strategic location** with 58 hectares of surface area. It forms **the riverfront of a 140 hectares business area, dedicated to logistics and industry**. The platform has **two shared-use quays**, as well as an 11 hectares **container terminal** operated by **Medlog Inland Terminal, a subsidiary of MSC**.

It serves **various activities**:

- **container,**
- **heavy-lift,**
- **dry bulk,**
- **breakbulk.**

Heavy-lift activities transit via the **quai amont**.

80,000
TEUs of annual capacity
1,122
