KPI's / performance Discover our annual indicators' new edition

Since 2014, HAROPA PORT and the port communities of the Seine axis have been producing and publishing performance indicators, coming from a true collaborative work by all players working to facilitate the transit of goods.

Published on 18/06/2021 - Updated 21/08/2023

These indicators, complemented at each edition, are grouped into 4 main families -**shipping performances, performances for goods in transit (road, rail and river modes), on-shore performances and customs and health performances**.

New 2021 : a single booklet with container, Ro-Ro and dry bulk (focus on cereals) performances.

> ***Good to know:*** *the dynamic visualization and analysis module "My KPIs" provide permanent access to the logistics flows' performances on Le Havre terminals to maritime, port and logistics players.*
