These indicators, complemented at each edition, are grouped into 4 main families -**shipping performances, performances for goods in transit (road, rail and river modes), on-shore performances and customs and health performances.**

New 2021 : a single booklet with container, Ro-Ro and dry bulk (focus on cereals) performances.

Good to know: the dynamic visualization and analysis module "My KPIs" provide permanent access to the logistics flows' performances on Le Havre terminals to maritime, port and logistics players.
