

Exceptional packages

HAROPA PORT specialises in exceptional packages, "outsized" packages and industrial projects. Possessing acknowledged expertise and dedicated facilities all along the Seine axis, HAROPA PORT is a major player in this logistics and port activity.

Published on 5/06/2023 - Updated 8/07/2025

A maritime services offering in the first rank: containers, RO-RO, conro and multipurpose

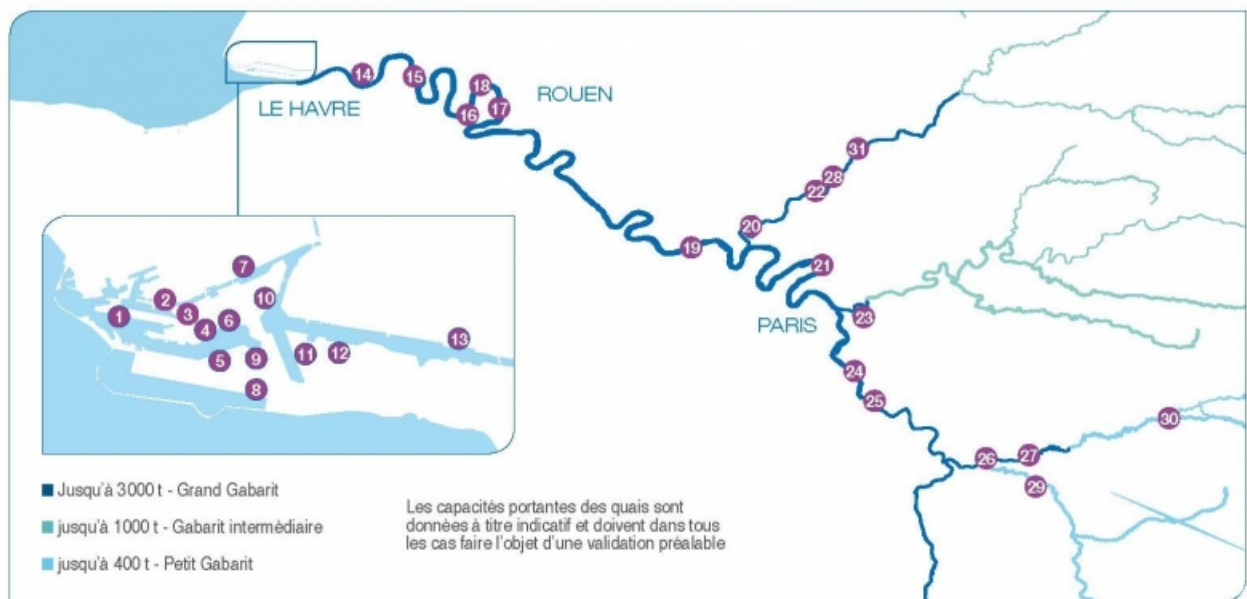

- Weekly maritime services connecting to all your markets.
- The first north-western port of call for imports and the last for exports.
- Reception of specialist vessels, with or without sheerlegs, in a constant-level or tidal basin.

Expertise and services for your industrial projects and exceptional packages

The right infrastructure

- 35 berths.
- Terminals with a punching resistance of 4 to 10 tons.

An **exceptional package transit procedure** must be followed for all movements on HAROPA PORT I LE HAVRE quays.

©HAROPA PORT

A wide variety of cargo handling equipment for all your industrial projects

- Horizontal (container gantry cranes, mobile cranes, crane (650t), floating sheerlegs, etc.).
- Vertical (ro-ro ramps).
- A closer look at two Seine Axis river/maritime resources: the Navy Blue barge and the Nevez pontoon.

Tailor-made solutions for all your industrial projects

- Type of vessel operated based on the voyage charter.
- Facilitation of your transport modes to and from port:

River transportation, an efficient solution for carrying your exceptional loads.

Simple	Compétitif	Souple	Sûr	Ecologique
<ul style="list-style-type: none"> - Pas de réglementation particulière - Pas de contrainte de transport - Réactivité et simplicité administrative 	<ul style="list-style-type: none"> - Régularité des services - Expertise des opérateurs 	<ul style="list-style-type: none"> - 0 limite de poids et de volumes, avec manutention verticale et horizontale - Circulation 24/7 	<ul style="list-style-type: none"> - Réduction des imprévus 	<ul style="list-style-type: none"> - Emissions de CO2 pouvant être divisées par 3 avec un transport par barge

A specialist port system and a dedicated "exceptional packages" working group

- More than 40 professionals in all trades (stevedores, freight forwarders, inland waterway agents, etc) underpin the development of exceptional loads and industrial projects activity at HAROPA PORT.
