On Wednesday June 14th, HAROPA PORT welcomed the **first call of the container ship MSC KAYLEY**. Measuring 366 m long and 51 m wide, this **latest-generation LNG-powered vessel** has a capacity of 15,264 TEU. It joins the order for LNG-fuelled container ships expected from MSC.

On June 21, the port will also welcome the **MSC BIANCA SILVIA** - 366 m long, 51 m wide - 15,000 TEU - for its inaugural call.

These two ships are part of the Griffin service on the Asia-Northern Europe rotation (alliance 2M), which makes Le Havre Europe's 2nd largest port.

Rotation: Shanghai, Ningbo, Xiamen, Tanjung Pelepas, Felixstowe, Rotterdam, Le Havre, Tanger Med, King Abdullah City, Salalah, Singapore, Shanghai.
