

Parisian river ports

In order to promote the activity of passenger vessels in the Paris bay, HAROPA PORT | Paris is setting up a network of adapted facilities: stopovers and home ports for ship companies.

Published on 21 April 2022

HAROPA PORT | Paris its also the passenger transport, entertainment and leisure activities thanks to the **network of 34 stopovers on the Seine, including 22 in Paris harbour**. These public stopovers allow many transport companies to develop their activities from different sites across Ile-de-France.
