A common stand to promote the Seafood expertise on the Seine axis

HAROPA PORT will be present at a dedicated stand to promote its logistics and infrastructure services for the seafood industry.

This stand will be shared with major players in the industry: **Seafrigo Group, TRANSPORTS GODFROY, and O' FISH**. Together, they offer integrated solutions along the Seine axis, from transport to storage and distribution, meeting the high demands of the industry.

It will showcase the region's excellence in reefer chain logistics and port expertise.

HAROPA PORT, France's leading port for reefer and a major player in the seafood industry

With over **1 million cu.m. of refrigerated/frozen logistics** and dedicated facilities at port terminals, HAROPA PORT is France's leading port for temperature-controlled goods, particularly seafood products, which account for **90% of the volumes transported**.
