

Professional trade show Seatrade Cruise Europe

From 10 September to 12 September

From September 10 to 12, 2025, HAROPA PORT will be in Hamburg for the Seatrade Cruise Europe, the must-attend event for the cruise industry.

Present alongside GIP Le Havre Croisières, the port will be highlighting the electrification of Le Havre's cruise terminal, a flagship project in the decarbonization of its activities.

Hervé Géraud, in charge of **electrical power supply for cruise ships**, will support the **GIP Le Havre Croisières** to present the RENAQ project soon to be operational **at the Le Havre cruise terminal**. In particular, he will provide his technical expertise on the equipment installed on the Pointe of Floride, as well as on the procedures for connecting ships to the power supply.

Practical information:

- September 10 to 12, 2025 at the Hamburg Messe,
- Registration [on the Seatrade Cruise Europe website](#).

71, quai Colbert, 76600 Le Havre
