A collective dynamic serving French attractiveness

A mobilized France Pavilion

The pavilion will bring together several **key players from the French maritime sector**. The goal? To highlight the sector's ability to provide concrete solutions in decarbonization and digitalization.

On this occasion, the *French Chamber of Commerce in Singapore* and *Team France Export* will organize **several key events**: tailored B2B meetings, keynotes and pitch sessions, sectoral roundtables, and more.

HAROPA PORT teams in force

The port will be represented by **Benoît Rochet**, CEO, **Kris Danaradjou**, deputy CEO in charge of Development, **Cédric Virciglio**, director of International, european and foresight relations, and **Pierre Decoussy**, head of International development.

In a context of global supply chain transformation, HAROPA PORT aims to **strengthen its cooperation with Asian partners** and **develop new international partnerships**.

HAROPA PORT's presence in Asia will also allow its teams to hold several strategic meetings, particularly at the French Embassy and the French Chamber of Commerce in Singapore.

HAROPA PORT will be present at its booth alongside the **Marseille-Fos** teams.

Singapore Maritime Week: a global event

As a leading global event for the maritime economy, Singapore Maritime Week 2026 will bring together over 200 exhibitors and 20,000 professionals from 80 countries.
