

Towage

Thanks to the expertise of skilled crews and equipment able to handle all operational configurations, towage services in Le Havre and Rouen can provide assistance to vessels of all types and sizes.

Published on 22/06/2023 - Updated 21/03/2024

The towage services of Le Havre and Rouen are **available 24/7**, enabling **thousands of vessels** to berth, get under way or move alongside in all weathers.

Use of towage is not mandatory but for reasons of security the Harbourmaster may require one or more tugs to be used.
