

Gemini cooperation at full speed in Le Havre

Inauguration of the Mediterranean shuttle service with the first call of the container ship *STADT DRESDEN* on the Quai de l'Atlantique, operated by CNMP LH.

This call marks the launch of the Shuttle Méditerranée service, operated by Gemini Cooperation, the alliance between the shipping companies Maersk and Hapag-Lloyd.

►► Gemini Cooperation, 2 weekly shuttle services to Le Havre to optimize trade:

Benelux France Shuttle

- Dedicated to transatlantic trade
- Rotation: Rotterdam - Antwerp - Le Havre - Rotterdam
- Call window: Friday 2pm to Saturday 10pm
- Terminal operator: [CNMP LH](#)

Med France Shuttle

- Dedicated to Asia & Middle East flows
- Rotation: Tanger - Algeiras - Le Havre - Tanger
- Call window: Tuesday 10 pm to Friday 6 am

Strategic advantages for freight operators

These new connections offer **competitive transit times for both import and export**, optimizing the logistics chain. They are also in line with Maersk and Hapag-Lloyd joint ambition to achieve **schedule reliability of over 90%** on these trades, thus reinforcing the predictability of flows.

►► The arrival of these two services, operated by Gemini Cooperation, illustrates HAROPA PORT growing attractiveness to major shipping lines.
