WEC Lines is thus reinforcing its presence in Le Havre, following the integration of the port in the rotation of its UK/IE Iberia weekly service connecting Ireland, England and Spain in early 2025 .

►► This new service is fully in line with HAROPA PORT's strategy to strengthen its position in the short sea market, by offering its customers new maritime connections to nearby markets.

### Focus: HAROPA PORT and Ireland, an expanding service offering

- **+33,000 full TEUs in 2024**, 68% of which imported from Ireland to France
- **4 regular maritime services in Le Havre**
