

ZIM shipping line launches a new weekly maritime service with Le Havre as last export port of call: a strengthened HAROPA PORT service offering to the Mediterranean and the Indian subcontinent

ZIM shipping line launches a new service

linking Northern Europe, the eastern Mediterranean and the Indian subcontinent.

The KOTA LAGU / KLV/004 will make the first port call with a scheduled departure from Le Havre on 24 April.

Details of the ZIM Med ISC weekly service (ZMI)

- Port rotation: Mundra - Nhava Sheva - Colombo - Suez Canal - Haifa - Mersin - Valencia - Felixstowe - Rotterdam - Hamburg - Antwerp - **Le Havre** - Ashdod - Mersin - Port Said West - Suez Canal – Mundra
- Port call window Friday Le Havre, Terminal de France – GMP container handling
- Nine ships, capacity 4,500 TEU, dedicated to this service
- Dry and reefer containers accepted
- Competitive transit times thanks to Le Havre's positioning as the final export port of call - best Northern European range transit times to:

Announced export transit times from HAROPA PORT Le Havre to	
Ashdod - Israel	8 days
Mersin - Turkey	10 days
Mundra - India	23 days

"We are delighted to welcome this new ZMI service by Israeli shipping line ZIM. It further adds to our already extensive offering to the Eastern Mediterranean and India and it allows our customers to get the benefit of highly attractive transit times. Furthermore, HAROPA PORT is based locally in India in our international representative office in Mumbai, enabling us to provide close support to our customers."

Kris Danaradjou, HAROPA PORT Deputy CEO for Development
