

## HAROPA ports are mobilized

► November 2020 #1

**100% operational**

French ports of Le Havre, Rouen and Paris remain fully mobilized.

Dears customers, dear partners,

HAROPA teams and all the port services actors of our 3 ports remain more than ever mobilized. Together, we ensure the continuity of our activities, from the essential services for ship's reception, handling and goods' transit through our ports.

In accordance with the French Government's recommendations and in order to protect the health of our employees, sanitary measures have been reinforced.

**We remain 100% operational and at the service of our customers and partners. Our teams remain fully available. Do not hesitate to consult them.**

We are also reactivating our dedicated information exchange platform:
