### This new weekly short sea service

will directly connect Le Havre to Russia and Finland.

The first call in Le Havre is scheduled on December, 16<sup>th</sup> at Terminal de France (TDF).

### Details of the weekly RFS4 service

► Port rotation:

► Le Havre

► Saint Petersburg

► Kotka

► Very competitive export & import transit times:

From ↓ to →	TERMINAL		ST PETERSBURG Bronka Mon	KOTKA Steveco Tue
LE HAVRE	TDF	Thu	4 days	5 days

From ↓ to →	TERMINAL	LE HAVRE TDF
KOTKA	Steveco	4 days

► Available equipment:

- All types of containers: 20' - 40' - high cube
- 306 reefer plugs on board
- Shipper owned containers (SOC) accepted

► This service will be operated by 2 Ice class 1AS category vessels (the highest ice certification).

"HAROPA is pleased with the choice of COSCO SHIPPING - 1<sup>st</sup> Chinese shipping company, 3<sup>rd</sup> worldwide - to place Le Havre as the first call of the rotation. The service will be operated by its short sea subsidiary Diamond Line. We thus continue to expand our maritime short sea offer, to a high potential region."

Laurent Foloppe  
Commercial and Marketing Director HAROPA

"With this new service, COSCO SHIPPING keeps on developing its Intra-Europe service offer which is constantly evolving and complements the global offer that we are able to propose to our customers."

Gilles P. Braesch  
Commercial Director COSCO SHIPPING
