

The Radicatel terminal, an attractive location for your shortsea operations

► February 2021

Specialist in Caribbean trade, new shortsea services to England, Ireland, Scotland and other European countries are currently under project.

Let us know about your needs with these destinations, we will establish the shortsea service best suited to your traffics.

►► Operated by Katoen Natie, the maritime terminal of Radicatel has/offers direct connections with/to Le Havre and is located nearby the A13 highway in direction of/to Paris. More than 30,000 TEUs were handled in 2020, being/representing a 25% increase compared to 2019.
