

HAROPA, logistics investment port Construction in Le Havre of the largest speculative logistics warehouse in France

► September 2020

In Le Havre, major works are underway at the Logistics Park of the Normandy Bridge 3:
a 92.000 sqm logistics divisible platform,
a project led by AG Real Estate and PRD, will be delivered in the 2nd quarter of 2021.

**Largest speculative
logistics platform
launched in France**

An XXL project connected to all maritime and multimodal services which reinforces the **logistics attractiveness** of the Port of Le Havre and the Seine axis.

An investment

An achievement

In partnership with

This real estate project, named HAVLOG, is marketed by **EOL**.
